WORLD UNIVERSITY CHAMPIONSHIP SPORT CLIMBING

UNIVERZA NA PRIMORSKEM / UNIVERSITY OF PRIMORSKA

The University of Primorska (UP) is a medium-sized, internationally engaged slovenian university with 5,744 students, of whom 1,296 (or 22.56 %) come from 47 foreign countries. It has 782 staff - 516 researchers and higher education teachers, of whom 72 (or 14.09%) come from abroad. The UP hosts more than 270 international researchers every year and enrols 166 PhD students. The University of Primorska is comprised of nine members — beside the research institute, student residences, the university library, there are six faculties: Faculty of Humanities, Faculty of Management, Faculty of Mathematics, Natural Sciences and Information Technologies, Faculty of Education, Faculty of Tourism Studies — Turistica and Faculty of Health Sciences.

In 2022, the UP became part of Transform4Europe (T4EU), a European university alliance of over 150,000 students and 10,000 researchers. It became a full member in 2023. In addition to the UP, 9 other universities and one associate member form the T4EU alliance. This

year UP hosted T4EU week, together with University of Trieste (another member), bringing together around 300 employees and students from all universities.

Moreover, the UP is one of the 38 members of the European Network of Innovative Higher Education Institutions (ENIHEI), an initiative proposed by Mariya Gabriel, (at the time) European Commissioner for Innovation, Research, Culture, Education and Youth. ENIHEI is a forum to exchange knowledge, ideas and experience on how higher education can promote an innovation culture, and enable creativity, entrepreneurship and talent.

The UP in 2024/2025 it will carry out 89 study programmes in all three cycles, 19of which are also held in the English language. In addition, the UP organises from 5 to 10 international summer schools on various topics every year as well as over 10 international scientific conferences, including at least a major conference, as it has done for several consecutive years, with more than 1,000 participants and under the patronage of the President of the Republic of Slovenia.

In partnership with the Škocjan Caves Regional Park, the UP launched the UNESCO Chair of Interpretation and Education for Enhancing Integrated Heritage Approaches, and within the Teaming instrument, coordinated the project and successfully established the internationally renowned research institute InnoRenew CoE. UP also established NEBAP Hub, a renowned centre for sustainable built environments, that has successfully acquired a major project, forming "New European Bauhaus Academy Alliance - NEBA Alliance"- the alliance, chaired by the UP as the lead partner.

Internationalisation and project activities go hand in hand with all aspects of UP operations. Furthermore, the University has recently strengthened its role in the region, where the main priorities are science communication (through the activities of the Science Centre and science communication events), work with schoolchildren and teachers, the establishment of an Alumni Office (in frame of GDI UP – Green, Digital and Inclusive UP project), innovation and technology transfer, student projects carried out in collaboration with companies, the promotion of responsible science and a wide range of additional training courses aimed at different target groups.

The UP also ensures the well-being of its community: it has established several student facilities (library access 24/7, reading rooms, study spaces), a university outpatient clinic, a centre for holistic psychological support and a career centre. It also advocates a healthy lifestyle among its employees and students with SportUP, organizing sports activites, and organises events focused on the reception, orientation and integration of students and staff.

ARRIVALS

Pick-up confirmed

There are several ways to reach Koper: by air, road, or rail. There's also a ferry option, though it's not the most convenient. ①

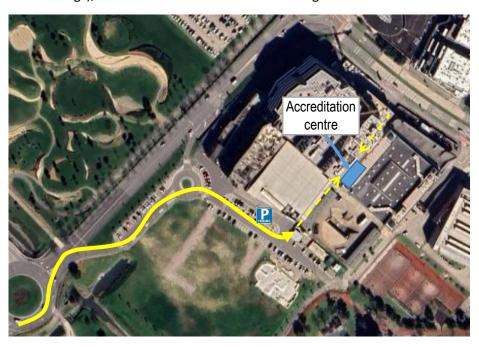

For those arriving at official pick-up points (Trieste Airport, Trieste bus and train stations, Koper train and bus stations, and Ljubljana Airport if traveling with Turkish Airlines), as well as those arriving at non-official pick-up points (Venice Treviso Airport, Ljubljana Airport) with confirmed paid transfers, transportation to Koper will be provided. A representative will be waiting for you at the airport with a sign that includes logo, as follows:

In case of a flight, train, or bus delay or cancellation, if you miss a connecting flight or train, or if you cannot find the OC representative at the station, please contact us immediately by phone at **+386 31452000**.

Arriving with own transportation

For those arriving by their own transportation, please proceed directly to the Registration and Accreditation Centre located at ARENA BONIFIKA, Cesta Zore Perello Godina 3, Koper. Use the side entrance (between the two buildings), which will be marked with a standing banner.

To find the location by car, enter "Piranska cesta 6, 6000 Koper" into your navigation system. Upon arrival (near the Olympic swimming pool), you can park your car for up to one hour. You can collect a parking pass at the Registration and Accreditation Centre. Please note that parking in Koper, marked by blue lines, is chargeable in all designated areas.

Wish you a safe and pleasant travel.

DEPARTURE

During the registration and accreditation process upon your arrival in Koper, you will need to confirm your travel details. To expedite the process, please have the following information readily available:

Travel date:	Sponsors corner
Scheduled departure time:	TURKISH
Departure location (airport, train station, or bus station:	AIRLINES

Based on your confirmed departure details, the Organizing Committee will arrange transfers to official drop-off points (Trieste Airport, Trieste bus and train stations, Koper train and bus stations, and Ljubljana Airport if traveling with Turkish Airlines), as well as to non-official drop-off points (Venice Treviso Airport, Ljubljana Airport) upon payment.

The departure schedule will be published on September 10, 2024, on the official website (PROGRAM): https://climbing2024.fisu-events.com/program/. You will also have a QR code -> on your accreditation card for easy access.

LOCAL TRANSPORTATION

The Plus Climbing venue, which serves as both the competition and catering venue, is within walking distance of all accommodation buildings, requiring less than 15 minutes on foot.

There are 4 (four) options to move from accommodation to the venue:

1. **Walking:** It's almost faster to walk than to drive (Villa Domus: 12 min - 800 m, Barka: 15 min - 1 km, Port: 15 min - 1 km, Prisoje: 15 min - 1 km). The path is marked with event logo.

- 2. **Public Bus:** You can take the public bus (lines 1 or 8; see the attached schedule). Please wear your accreditation card, as it allows you to travel for free.
- 3. **OC Transfer:** If you're not feeling well, have an injury, or need to retrieve something from your room or the venue, you can use the OC transfer service. Just call mobile phone: **+386 31452000.**
- 4. Electric Scooter: You can rent an electric scooter at a discounted rate of 0.07 EUR per minute. The ride takes less than 5 (five) minutes from your accommodation to the venue or back. To rent a scooter, download the "KVIK Sharing" app and use the special code "FISU2024."

THE ACCREDITATION AND REGISTRATION CENTRE

- 1. **Location**: ARENA BONIFIKA (Cesta Zore Perello Godina 3, Koper), Use the side entrance (between the two buildings), which will be marked with a standing banner.
- 2. **Opening Hours**: Friday 10:00 20:00 and Saturday 10:00 24:00. Please note that there will be a lunch break from 13:00 to 15:00 and a dinner break from 20:00 to 22:00.
- 3. To expedite your registration, please bring the following:
 - Passport or ID (for EU member countries);
 - Departure information: Travel date, Scheduled departure time, Departure location (airport, train station, or bus station).
 - The head coach will need to scan a QR code to join the "Technical" WhatsApp group, while the Head of Delegation will need to scan a different QR code to access the "OC" WhatsApp group.
 - Please note: Those who have not paid their participation fee in full will not be able to register.

 Payment (in cash, by card, or bank transfer) upon arrival is not possible under any circumstances.
- 4. Upon successful registration, you will receive your accreditation card, accommodation details, including the 'code', and a welcome bag.

After collecting all the items mentioned above, those with their own cars will receive instructions on how to reach their accommodation building. Others will be transported by the Organizing Committee's transfer service. At the reception of your accommodation, you will collect your room key upon submission of your 'code'.

CATERING

Water refill station

To promote sustainability and reduce plastic waste, we are pleased to provide a water refill station offering clean, high-quality tap water. This station is a testament to our commitment to environmental responsibility, allowing everyone to stay hydrated while minimizing the need for single-use plastic bottles. The water provided is sourced from a regional public water supplier, ensuring it meets stringent quality standards. By choosing to refill the bottle you receive at accreditation, you are not only enjoying fresh, safe water but also contributing to a greener future. Together, we can reduce our environmental footprint and support a sustainable way of living.

Let's join forces to reduce waste at the championship! Please be mindful of sorting your trash and use the designated bins for recycling and composting.

Meals

All meals—breakfast, lunch, and dinner—will be served on a self-service basis at The Plus Climbing Centre (see attached map). To access the catering service, please bring your accreditation and the appropriate meal coupon (one colour for breakfast and another for lunch and dinner). Please note that one coupon is valid for one meal.

HEALTH AND SAFETY

Doping Controls

During the FISU World University Championship in Sport Climbing, doping controls will be implemented to ensure fair play and uphold the integrity of the competition. All athletes participating in the championship are subject to these controls, which will be conducted by Slovenia Anti-Doping Organisation in accordance with the World Anti-Doping Agency (WADA) guidelines and FISU's anti-doping regulations.

Randomly selected athletes will be required to undergo testing both in-competition and, if necessary, out-of-competition. These tests are designed to detect the presence of any prohibited substances or methods that could enhance performance unlawfully. The procedures will be carried out by certified doping control officers, and any violation of anti-doping rules will result in severe penalties, including disqualification and further sanctions.

The commitment to clean sport is paramount, and these measures are in place to ensure a level playing field for all competitors.

Medical Care

First aid services will be readily available throughout the FISU World University Championship in Sport Climbing to ensure the safety and well-being of all participants and attendees. An on-site ambulance with a medical doctor will be present to handle any injuries or medical issues that may arise. In the event of an emergency, first aid responders will provide immediate care and, if necessary, coordinate the transfer of individuals to nearby medical facilities for further treatment.
