INFORMATION AND INTERESTING FACTS ABOUT THE EVENT

Cheerleading's story within the FISU programme is just starting to be written as Lodz, Poland hosted the first World University Cheerleading Championship in 2018. The championship in Split will be its second edition.

The event will start with a grand opening ceremony on August 1st at the University of Split Campus, followed by competitions and awards ceremonies from August 2nd to 4th. In addition to the official competitive segment, and with the support of the Ministry of Tourism and Sports, the organizers have prepared the "Cheerleading Camp – WUC 2024," where preschool children will have the opportunity to learn the basics of cheerleading, handle pom-poms, and enjoy beautiful performances on-site. The upcoming event is more than just a sports competition, as it represents a fusion of sports, entertainment, education, and a mix of different cultures, all in the heart of the tourist season.

Disciplines on the event: Coed Premier, Coed Elite, Team Jazz, Team Pom, All Female Elite, All Female Premier, Pom Doubles, Team Hip Hop, Hip Hop Doubles. Around 500 participants from 13 countries and 46 universities worldwide will be a part of the event. Athletes compete as representatives of their nation, being the selection of the national university team and not under the university flags.

Four Croatian university students will represent the national team, showcasing their cheerleading skills in two categories - hip hop double and cheer double. All four are students of the University of Split.

Volunteers from Split, various parts of Croatia, and abroad are assisting in the organization of the event, actively participating in different teams, including the sports team, accreditation team, protocol and ceremonies team, information team, transport team, logistics team, media team, and medical team. Volunteers are provided with necessary equipment, transportation, and meals, as well as accommodation for those coming from outside Split. Participating in the FISU Cheerleading 2024 volunteering program offers a fantastic opportunity to gain valuable experience and knowledge, meet new people from all over world, establish new friendships and connections, and develop organizational and communication skills among young individuals.
