COMPETITION INFORMATION

FORMAT

All Muaythai combat divisions are competed as single elimination without repechage.

For the Wai Kru competitions, since there are 4 or less athletes in both categories, there will not be a second round. It will be a single round and winner determined by highest score.

WEIGH-IN

Weight control will take place from 08:00 to 09:00.

Athletes have to present accreditation cards for the weigh-in. Only the athletes who have bout on that competition day are subject to have the weight control in that morning.
