3. SOCIAL ACTIVITY

The day will conclude with a social activity designed to bring participants together in a relaxed and enjoyable setting. Starting at **7:00 PM**, everyone is invited to join a **Bowling Tournament**, offering a great opportunity to connect with fellow athletes, officials, volunteers, and members of the FISU community outside the competition environment.

Beyond the friendly competition, the event aims to encourage interaction, strengthen connections, and create memorable moments throughout the championship. Whether you're aiming for a strike or simply looking to enjoy a fun evening, all participants are welcome to take part.

- Use appropriate sunscreen and wear lightweight clothing.
- Drink plenty of water and avoid alcohol and caffeine.
